

Do you print your own Maps, but need a source for competitive priced hardware?

The Kirkland Frame Kit makes it possible for you to create your own Maps at an affordable cost.

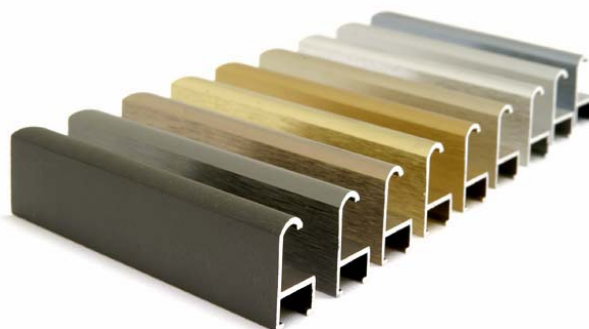

Every Frame Kit includes the following:

- Anti-Glare Front Pane (P99).
- 1/8" Rigid Backing.
- Aluminum Frame with all necessary hardware.
- Concealed Security Hanging Kit.

7 Frame Colors and 3 different Styles are available for immediate delivery.

Looking for something different?
Consult the factory for a variety of options on Colors and Frame Styles (wood, metals, etc.).

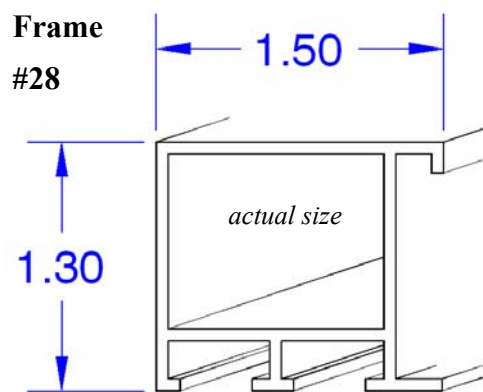

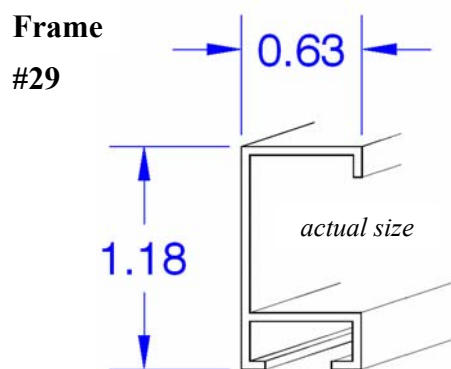

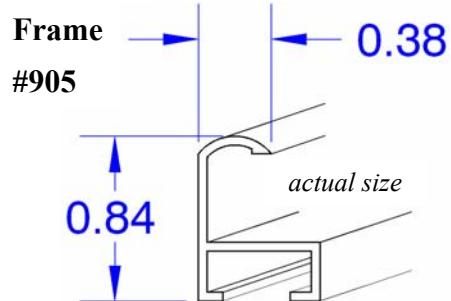

Every Frame kit will ship complete and assembled, you just need to produce the print.

It's that easy!
